THE PROPERTY

A charming Grade II Listed mid-terrace house, perfectly located just a short stroll from the heart of Bridport town centre. This characterful property, arranged over three floors, offers a rare opportunity to acquire a home in such a central position, within easy reach of the town's vibrant shops, cafés, restaurants and the bustling Bucky Doo Square.

Blending a selection of original character features with more contemporary touches, this three-bedroom property provides spacious and light-filled accommodation throughout. While it would benefit from some cosmetic updating, it presents an exciting chance for a buyer to modernise and finish to their own taste, creating a highly desirable town centre home.

On the ground floor, you are welcomed into an open-plan living and dining space that combines comfort and practicality. The living area is centred around a feature fireplace with log burner, perfect for cosy evenings, while a large sash window to the front aspect floods the room with natural light. To the rear, the kitchen has been refitted in a modern design and is both stylish and functional, with ample storage, worksurfaces and a breakfast bar ideal for casual dining. Integrated appliances include a built-in double electric oven, microwave, gas hob, fridge/freezer and dishwasher.

The first floor hosts a generous and modern-looking bathroom together with the principal bedroom. The bathroom is of excellent proportions, fitted with both a freestanding bath and a large walk-in shower with splashback tiling, giving it a stylish contemporary finish. The principal bedroom, positioned to the front aspect, is also a well-sized double, comfortably accommodating furniture, with exposed wooden floorboards adding a touch of character.

The second floor provides two further bedrooms, each with their own character. Bedroom two, at the front of the property, is a

good-sized double featuring the original fireplace and an alcove cupboard providing useful hanging/storage space. Bedroom three overlooks the rear and would make an excellent single bedroom, home office or study, giving flexibility to suit a range of lifestyles.

With its central location, period status and versatile accommodation, this property has enormous potential. For buyers seeking a home within easy reach of Bridport's amenities, yet with the scope to personalise and improve, this house represents an exciting and increasingly rare opportunity.

OUTSIDE

To the front of the property, there is a detached garden offering scope for improvement and the potential to create a seating area or space for home growing, adding an extra outdoor element to this town centre home. To the rear of the property from the kitchen door is an enclosed courtyard garden offering a private space to relax or entertain outdoors.

Parking: Whilst there is no parking with the property, there are parking options close-by including the Dorset Council Car Park where a yearly permit can be obtained.

LOCATION & LIFESTYLE

Perfectly positioned just a short stroll from Bridport's bustling town centre, the property offers unrivalled access to a wide mix of shops, cafés, restaurants and the town's popular twice-weekly market. The stunning harbour and beach at West Bay lie just two miles to the south, offering easy access to the iconic Jurassic Coast and the South West Coast Path.
