## THE PROPERTY

Conway House is set in a quiet rural position in the small hamlet of Bettiscombe, about 7 miles Northwest of Bridport town and amenities. The property occupies a generous plot of approximately a third of an acre incorporating beautifully landscaped gardens adjoining the surrounding countryside. This attractive property has been a much-loved, well-maintained family home over the years and is well-presented throughout with the potential scope for modernisation, if desired. The arrangement of accommodation is very versatile and offers an ample amount of living space plus four generously sized bedrooms and two bathrooms. Attached to the side elevation, the property has been well-designed to incorporate a two-bedroom annexe providing a perfect solution for a multi-generational family seeking an independent living arrangement or an excellent opportunity to have your very own two-bedroom holiday let.

The accommodation in the main house comprises of an entrance porch with cloakroom WC, that continues through to the hallway with a door straight ahead to the large living room with three windows overlooking the expanse of countryside and beyond, sliding doors to the patio area, a fireplace with and inset open fire surrounded by a stone surround. The living room connects with the dining room/ potential fifth bedroom to the front of the property which has an adjoining door to the annexe. To the front of the property is the open-plan kitchen/ diner which has been upgraded previously by the current owner with modern looking farmhouse style kitchen units with a granite effect laminate worktop. The kitchen benefits from an integrated eye-level Neff branded oven, ceramic hob with extractor above, an integrated dishwasher and a 1½ bowl stainless steel sink/ drainer. The kitchen diner has dual aspect windows and sliding doors out to the garden.

From a galleried first floor landing, there are four bedrooms, three of which are double size, one with an en suite bathroom and one single size bedroom/ study. The en suite bathroom comprises of a white bathroom suite comprising of a bath with shower facility, a combination vanity with hand wash basin and WC. There is an

additional shower room with a walk-in shower enclosure, vanity hand wash basin and WC with skylight window.

The deceptively spacious annexe can be accessed via its own front door or via the dining room of the main home. The accommodation within the self-contained annexe consists of two double bedrooms, one on the first floor with ensuite and one situated downstairs to the rear of the property with a separate shower room with walk-in shower. The generous living/ dining room has a front aspect window and sliding doors to the enclosed patio garden. The kitchen has been upgraded by the current owner with contemporary grey gloss wall and base units with a stone effect laminate worktop/ splashback. There is an integrated oven and ceramic hob with ample space for freestanding appliances.

Having been used by the present owner as holiday accommodation as well as residentially let, the annexe would also lend itself well to those seeking a space suited multigenerational living or to accommodating visiting family or friends.

The property benefits from a beautifully landscaped garden which has been carefully manicured by the current owner to create a peaceful and tranquil escape. Measuring approximately a third of an acre the diverse plot includes an area of trees, traditional lawns, a pergola and an elevated patio seating area perfect for enjoying the distant views across open countryside.

Parking is ample with an off-road gated driveway with room for several vehicles. The property also benefits from a single garage with light and power, a greenhouse and a shed.
