THE PROPERTY

The property is entered via an entrance lobby which leads through to a generous living room. A charming wood-burning stove creates an attractive focal point, while doors open into the conservatory, which currently serves as a dining area and provides an excellent additional reception space with direct access to the rear garden.

The kitchen is fitted with a range of wall and base units, offering practical storage and workspace, with an integrated oven and gas hob. To the rear of the kitchen is a useful lobby area, currently arranged with plumbing for a washing machine, overhead storage and a practical under-stairs storage cupboard. A second door provides access into the conservatory, enhancing the flow of the ground floor accommodation.

Completing the ground floor is a modern bathroom fitted with a white suite comprising a bath with shower facility, wash hand basin and WC. Stylish white metro-style tiled walls create a contemporary finish, while a wall-mounted heated towel rail and an obscure glazed window to the side aspect provide both practicality and natural light.

On the first floor, the property offers two spacious double bedrooms, including a particularly generous main bedroom benefitting from an en-suite WC. A further single bedroom provides versatile accommodation, equally suited as a home office/ study.

OUTSIDE

Outside, the enclosed rear garden has been designed for both enjoyment and practicality, featuring a patio seating area, laid to lawn garden, garden shed and a sheltered seating area complete with an outdoor pizza oven, ideal for entertaining and outdoor dining.

To the front of the property, there are attractive planting beds alongside a further area laid to lawn, creating a welcoming approach. An established hedge to the front provides a pleasant degree of seclusion and privacy. Whilst there is no parking with the property, the road at the front has no restriction on a first come first serve basis.
