Built in the mid-1990s, the property benefits from gas-fired central heating, attractive oak flooring throughout the ground floor and has been thoughtfully improved by the current owners.

The accommodation is presented in excellent order throughout, with the kitchen having been upgraded to feature a contemporary shaker-style grey fitted kitchen with contrasting light worktops, an integrated electric oven, gas hob with extractor hood over, integrated dishwasher, integrated washing machine and integrated tall fridge freezer.

The bathroom has also been beautifully refurbished by the current owners and now features tiled flooring, twin vanity wash basins and a generous walk-in shower enclosure, creating a stylish yet practical space. A modern cloakroom serves the ground floor, while the first floor enjoys pleasant views towards the surrounding countryside.

OUTSIDE

The enclosed rear garden has been attractively arranged with a timber decked seating area, lawn and

paved pathways, together with a timber garden shed providing useful storage. A rear gate gives direct access to the allocated parking space, while additional unrestricted on-street parking is available to the front of the property.

SITUATION
